

CLINIC PATIENT HANDBOOK

1. Appointment Cancellation

Patients should cancel unwanted appointments as early as possible.

The clinic recommends cancelling at least 24 hours before the appointment.

Patients who cannot attend should contact the clinic before the scheduled time.

2. Missed Appointments

A missed appointment means the patient did not attend as expected.

Patients should contact the clinic if they cannot attend their booking.

CLINIC PATIENT HANDBOOK

3. Rescheduling

Patients may request a different appointment date when available.

Staff should verify the current appointment status before rescheduling.

4. Privacy

Only authorized staff should access confidential patient information.

Authentication is required for protected clinic records.

Patient records should be handled according to clinic privacy procedures.
